(NOTE: This item is packed in units of 25 only!)

POTHOS — One plant in 2" pot, Per 100 \$15

SANSEVIERIA HAHNII — (Patented) Unusually good seller! Per 100 \$44

CHINESE EVERGREEN — In 3" pot, Per 100 \$44

NOTE ON PLASTIC POTS:

Fifty is the MINIMUM order of 2" plants or 2½" plants. Twenty-five is the MINIMUM order of 3" plants. Pots come in assorted colors: Red, Green or Yellow. No specific colors can be included in any order. You can select your own assortment of plants. Each comes in a special paper sleeve, which can be saved and used by the customer for taking plants home. Minimum quantity orders are necessary, as shipping containers are built specially for these plants.

10% DISCOUNT—If you want a 10% discount—on quantity lots of 5,000 or more (on any item in this folder) and IF YOU LET ME KNOW 60 DAYS IN ADVANCE OF SHIPPING DATE, I can make that kind of discount.

Frankly, this business of planning production is a job! I always am disappointed when some customer suddenly orders 5,000 Philodendron, let's say, the 2" pot size at 9c each, and who feels he should get a quantity discount because of the large order. Then I have to point out that there is no saving on my part over an order of 100 or 500. The point is, if I know in ADVANCE, I would add the 5,000 extra cuttings to take care of the order. It eliminates risk on my part and is worth the 10% discount.

Also, with 60-day notice or more, depending on the item, I actually can give you a BIGGER plant. What we do in that case is set the 5,000 aside for you! This means that (before shipment) a sizeable percentage of the plants is ABOVE minimum size, since we don't pick from YOUR lot! Let me hear from you as to how I can work with you on this.

PLANTS IN ALUMINUM POTS

In these aluminum pots, we include a select group of Philodendron, Nephthytis, Peperomia and Sansevieria Hahnii, all 4" pot size plants. They are strong 4" size, though grown in 3" pots. The aluminum pots are strong — not "tinny" — and

100 for only \$53

No packing charge—you can order as little as 25 plants — all the same, or any assortment.

NEPHTHYTIS

PEPEROMIA

PHILODENDRON S. HAHNII

PHILODENDRON MONSTERA

The P. Monstera are 15-24" tall, 3-4 leaves in a 4" pot and the P. Dubium are from 10-18" tall, 3-5 leaves in a 4" pot.

These all take special packing, so they are available only in units of an assortment of 12, in which we pack 6 Monstera and 6 Dubium (a good assortment). The 12 plants, packed ready for shipment, are \$20.

PHILODENDRON DUBIUM.

FANCY LEAVED CALADIUM BULBS

A better than usual growing season has enabled me to produce a fine crop of these fancy-leaved Caladium bulbs, full and plump.

I recommend my mixture, each shipment of which will consist of thirty percent choice white, such as Candidum and Mrs. Edith Mead, and 70 per cent reds, SEPARATED, not mixed. Note below the named varieties which may be ordered individually.

NAMED VARIETIES

- CANDIDUM—Snow-white leaf with dark green ribs.
- MRS. EDITH MEAD—Snow white with green border and red ribs.
- TRIOMPHE DE L'EXPOSITION—Velvety red center, shading to narrow green border.
- D. M. COOK—Rumpled leaf, deep plum center.
- JOHN PEED—Brilliant red leaf with dark green border.
- DR. T. L. MEAD—Deep saturated red with black velvety sheen.
- MRS. W. B. HALDEMAN—Transparent rose leaf, pea green veins.
- LORD DERBY—Rose leaf with dark green veins and ribs.

	Price per 100 Mixed Varieties	Price per 100 Named Varieties
1 inch	\$10	\$12
1-1½ inch	12	14
1½-2 inch	14	17
2-2½ inch	17	22
